FOR IMMEDIATE RELEASE

McKinneys Recognized for Exceptional Service and Support

The LCMC Endowment Fund, Inc. presented Jim McKinney a plaque recognizing him and his late wife Fran on May 15 for their exceptional and continued support of healthcare organizations in Lake City.

Jim and Fran made their home in Lake City for many years and Jim now resides in Conroe, Texas. Jim served on Endowment Fund and Health District boards from 2012 to 2017. Fran and Jim were heavily engaged on several committees supporting these organizations during that period. Jim continues to make a substantial impact supporting healthcare delivery in Lake City through financial contributions to the Endowment Fund.

A plaque recognizing the McKinneys will hang in the entry of the Moseley Health Care Complex in Lake City. A smaller identical version was presented to Jim to which he responded – “I am overwhelmed. So many people have given so much of their time and effort for the Endowment. I humbly accept this honor with them in mind. They are the reason I am pleased to support the LCMC Endowment.”

The plaque reads “Jim and Fran McKinney gave their leadership and time, and continue to give financial support to the Lake City healthcare organizations that have provided comfort, a path to wellness, and life-saving healthcare to so many.

Their service on the boards and committees of the Lake Fork Health Service District and the LCMC Endowment Fund made those teams stronger and smarter, and facilitated the accomplishment of their respective Missions. Their leading financial support continues today to provide grant funding for the organizations supported by the Endowment.

Their support and effort help assure our Vision of “Lake City full of healthy people”.

The LCMC Endowment Fund, Inc. is a 501(c)(3) established in 1996 with the Mission of supporting quality health care delivery in Lake City through supported organizations Lake Fork Health Service District, Silver Thread Public Health District, and Hinsdale County EMS.
